**DEFENDANTS RESPONSE  
TO COURTS MOTION TO  
SECURE COUNSEL**

Dear Honorable John G. Koeltl

I, Dr. Danielle Peake, am writing on behalf of defendants Dr. Danielle Peake (Pro Se) and Tactile Group Inc in the case of Katz vs Tactile Group Inc and Dr. Danielle Peake, to respectfully request an extension of time to secure legal representation for the following reasons:

- Both parties are currently engaged in good faith discussions aimed at resolving this dispute outside of court. Plaintiff's counsel, Lita Rosario-Richardson, consents to the expansion of time and does not oppose the extension request.
- Concurrently, defendants have been working diligently to retain new counsel. However, the attorney selected to take over experienced an unexpected medical issue, which prevented effective communication until May 1, 2025.
- As a result, I am petitioning your Honor for an additional 10-days to formalize representation to ensure proper handling of the case moving forward and/or resolve the matter with plaintiff via good faith negotiations.

The court's consideration to my request for an extension of time is very much appreciated as I remain committed to acting in good faith throughout this process.

Sincerely,

Dr. Danielle Peake

Tactile Group INC.
